

FRIEND of KEMPA AWARD NOMINATION

In any journalism program, whether high school, college, or a group such as KEMPA, no entity can operate efficiently alone. The Board of Directors of KEMPA has instituted the "Friend of KEMPA" award. This is presented to a person who really doesn't "fit" in the Media or Administrator category, but someone (or group) that has given assistance to KEMPA in an unusual way.

Often the members and advisers of the many schools who attend KEMPA's events are not even cognizant of the assistance being given to the Board which makes the operation of those events possible.

On the other hand, there is often help being offered to KEMPA member schools of which the Board has no knowledge (example: a parent support group).

That's where the Friend of KEMPA award comes in. Nominations must be done by KEMPA members. **A KEMPA-member school may choose to nominate a person or a group for this honor.**

Nominations for the **Friend of KEMPA Award** should be submitted on a separate sheet of paper which details what makes that person (or group) eligible for consideration for this award.
